

# Training Pet Pads

Elevate your puppy training experience with Duracare Pet Training Pads

Discover the convenience of maintaining spotless floors with Duracare Pet Training Pads, designed to safeguard your home from your new puppy or pet companion. Place these attractant pet potty-training pads throughout your living space, ensuring that the intervals between your extensive pee-potty-training sessions do not result in carpet soaking.

This includes super-absorbent and odor-control puppy pads, equipped with a PE Film backing to prevent leakage. Capable of rapidly absorbing several cups of liquid (dependent on the pad's size), these pads effectively manage and neutralize unwanted scents. Your new puppy is guaranteed to master their pee/potty training with the aid of Duracare Pet Training Pads.
